

Servier Research Grant in Hypertension

The Servier Research Grant in Hypertension in the amount of **€ 30 000** is awarded **every 2 years** for a research proposal in the field of hypertension and related diseases with a focus on end-organ damage, surrogate markers, and biomarkers.

**Next deadline
for applications
January 31, 2017**

The committee of the Servier Research Grant in Hypertension is composed of internationally renowned experts in hypertension and related cardiovascular diseases. The winner will receive the grant from the President of the ESH, during the award ceremony of the annual ESH Congress.

This initiative follows the Servier SNS Research Grant, awarded from 2003 through 2007. The winners were **Dr Markus Schlaich, Professor Krzysztof Narkiewicz,** and **Dr Gino Seravalle.**

The winners of the Servier Research Grant in Hypertension are **Dr Konstantin Kotliar** (Munich, Germany) in 2011, **Dr Stefano Masi** (London, UK) in 2013, and **Dr Sébastien Foulquier** (Maastricht, The Netherlands) in 2015.

Applications should be sent to:
Professor Giuseppe Mancia
E-mail: giuseppe.mancia@unimib.it

More information is available at
www.eshonline.org and at
www.servier.com

The **Servier Research Grant in Hypertension** is limited to PhDs or MDs under 45 years of age on July 1 in the year of the award.

The Servier Grant in Hypertension is supported by an educational grant from Servier
