

ESH SATELLITE SYMPOSIUM

26-27 May, 2018
Budapest, Hungary

FIRST ANNOUNCEMENT

MONOTHERAPEUTICS VS. POLYTERAPEUTICS ON GLOBAL CARDIOVASCULAR RISK - FROM SCIENCE TO PUBLIC HEALTH II.

Organized by:

The Hungarian Society of Hypertension and
the Portuguese Society of Hypertension

PRELIMINARY PROGRAM

26 May (Saturday), 2018

- 09:45** **OPENING**
Csaba Farsang, Hungary; Manuel de Carvalho Rodrigues, Portugal
- 10:00-12:25** **MULTIPLE THERAPIES**
Chairpersons: István Kiss, Hungary;
Manuel de Carvalho Rodrigues, Portugal
- 10:00** **Cardiometabolic risks in Europe – Why do we die earlier?**
Fernando Pinto, Portugal
- 10:25** **Pharmacological background of interactions of
antihypertensive drugs. Focusing on combination therapy**
Ervin Finta, Hungary
- 10:50** **Pros and cons of fixed-dose combinations of
antihypertensive agents and statins**
Vítor Paixão Dias, Portugal
- 11:15** **Multiple therapies in cardiovascular protection**
Zoltán Járai, Hungary
- 11:40** **Multiple therapies and adherence to treatment in adolescents**
Dénes Páll, Hungary
- 12:05** *Discussion*

12:25 **Lunch Time**

13:10-14:45 **THE ROLE OF THE ADHERENCE**

Chairpersons: **Luis Martins**, Portugal;
Csaba Farsang, Hungary

13:10 **Adherence to multiple therapies for renoprotection**
István Kiss, Hungary

13:35 **How can we improve doctors' and patients' attitude**
Csaba Farsang, Hungary

14:00 **The role of general practitioners in improving adherence to polytherapeutics in the population**
János Nemcsik, Hungary

14:25 *Discussion*

14:45 **Coffee Break**

15:15-16:45 **ARE THERE REASONS TO CHANGE?**

Chairpersons: **Vítor Paixao Dias**, Portugal;
Zoltán Járai, Hungary

15:15 **Risks and benefits of mono and polytherapeutics in primary and secondary prevention**
Luis Martins, Portugal

15:40 **Pharmaco- or instrumental (non-pharmacological) therapy or the combination of the two**
Péter Légrády, Hungary

16:05 **A rare side effect of polytherapeutics: orthostatic hypotension**
Manuel de Carvalho Rodrigues, Portugal

16:30 *Discussion*

16:45-17:15 **ROUND TABLE**

Role of authorities and scientific societies in improving adherence to pharmacotherapies in the population

Moderator: Csaba Farsang, Hungary

Panel Discussion: **Manuel de Carvalho Rodrigues**, Portugal;
Luis Martins, Portugal;
Zoltán Járai, Hungary;
János Borvendég, Hungary / ECCP

17:15 **CLOSING REMARKS of the 1st day**

Csaba Farsang, Hungary; **Manuel de Carvalho Rodrigues**, Portugal

27 May (Sunday), 2018

09:00 **Meet the experts session: Which combinations to whom?**

Participants from HSH: **Csaba Farsang**, **István Kiss**,
Zoltán Járai, **János Nemcsik**, **Péter Légrády**, **Ervin Finta**
Participants from PSH: **Manuel de Carvalho Rodrigues**,
Luis Martins, **Vitor Paixao Dias**, **Fernando Pinto**

12:40 **CONCLUSIONS AND THE END OF THE SATELLITE SYMPOSIUM**

Csaba Farsang, Hungary;
Manuel de Carvalho Rodrigues, Portugal

Venue:

Mercure Budapest Buda
Krisztina Körút 41-43., 1013 Budapest
